# ER 332 S MEGAPHONE

# ER 332 S MEGAFONO

## Operating instructions

### When making announcement:

- 1 Hold the megaphone at the grip, and press the power on/off switch back with your index finger.
- 2 Position the speaker opening mouth towards the object, and speak through the microphone mouthpiece. Bring the microphone mouthpiece close to your lips and speak with clear voice.
- 3 Turn the sound volume control equipped on the back of the grip, and adjust the sound level to Optimum without causing howl.

## Instrucciones de Uso:

### Para realizar una alocución

1. Sosténgalo de la empuñadura y presione el conmutador on/off con el dedo índice.
2. Posicione el micrófono junto a la boca y hable a través de él. Manténgalo cerca de los labios y hable con voz clara.
3. Gire el mando de control de volumen situado en la parte trasera de la empuñadura y ajuste el nivel sonoro a un rango óptimo sin causar sonidos estridentes.

### Battery loading

- 1 Loosen the screwed mouth equipped on the back of the body by turning it fully counter clockwise.
- 2 Remove the battery case and put in eight type AA (UM3) batteries, observing correct polarity.
- 3 After putting the batteries in, insert the battery case into the battery compartment of the megaphone with correct polarity.
- 4 Then tighten the mouth fully.

### Cambio de baterías: Empuje y presione para aflojar la tapa

### Retire el porta-baterías

### Coloque Las baterías

## Cautions

- 1 Be sure to put the batteries with correct polarity.
- 2 When the megaphone is not in use for a long period, remove the batteries.
- 3 Drained batteries do not give sufficient sound volume. Replace the batteries at regular intervals.

## Technical specifications

Power source.....	Type AA (UM-3) x 8 (DC 12V)
Battery consumption.....	15 hours (intermittent use)
Distance range.....	0.6km (quiet suburban area) .....0.3km (city area)
Dimensions Mouth diameter.....	190mm
Length.....	320mm
Weight (without batteries).....	0.9kg

## ESPECIFICACIONES:

Alimentación	Pilas Tipo AA (UM-3) x 8 (DC 10V)
Consumición de la batería	15 horas (uso intermitente)
Rango de audición	0.9km (campo abierto) 0.3km (area urbana)
Dimensiones y Peso	190mm de diámetro - Longitud 320mm - Peso 0.9kg
